Progress In Education

We the Annual Staff of 1970 dedicate this Annual to the Progress of Education. An ethical education comes by hard work and the initiative to strive for higher goals. We feel that the endeavor to our brighter promises were accomplished at G.H.S., by the construction of our new educational facilities.

We the students do not always recognize the money and countless hours that go into an efficient school system like G.H.S., a system that has only one factor in mind, better education for the student. The Annual Staff, acting on the behalf of the students, accepts this challenge to broaden our education, in the field of our choice.

Future Leaders

The fall of '69 brought the Juniors back to G.H.S. with the feeling of "upper-classmen." All were looking forward to the coming year which would bring their first class play and the Junior-Senior Prom. The Junior class officers are: President--Dean Karnopp, Vice-President --Cyndy Falk, Secretary--Kathy Wylie, Treasurer--Julie Schliebe, and Student Council Representative--Renee Mydland.

Things Are Looking UP.

Participating was a must for the junior class of 69-70, and we are inclined to say they more than just participated, as shown here in track. They also helped in basketball, and did much for the football team; not to mention band, debate, wrestling, and speech.

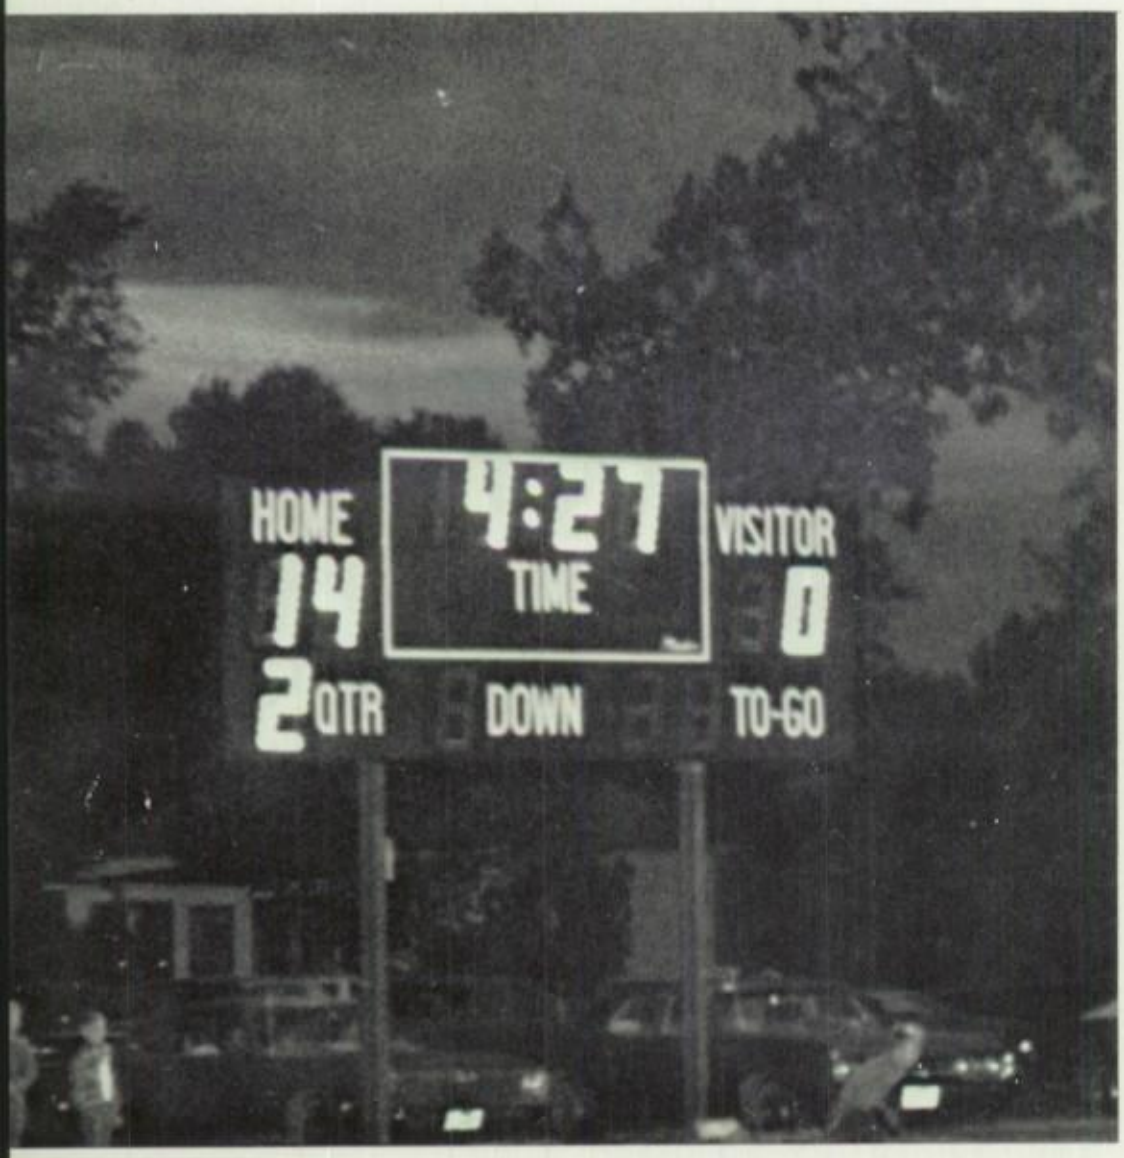
HOMECOMING HIGHLIGHTS OF "1969"



Enthusiasm could be seen everywhere as the Jungle day festivities began with the Pep-Rally on Thursday night. Encircled within the band, Coach Bobby Dubs introduced the returning Senior lettermen and the Tri-captains. Pep talks were given by many wholehearted Tiger fans. Following the traditional bonfire, the crowd proceeded to the football field for the coronation. Master of ceremonies, Terry Gilchrist, crowned Queen Renee Daly and King Jake McKiver to reign over Homecoming 1969. To climax the evening, the new scoreboard was lit for the first time.

Following the band, the parade, under the theme of "Nursery Rhymes" proceeded down Main Street. Seniors captured first place with "The Old Woman In The Shoe," The Juniors took second place while 8th grade assumed third place. The top event of the day was the 26-6 victory over the Doland Wheelers. The Homecoming Dance featuring "The Paranoid Stones" climaxed another memorable Homecoming for GHS students.

Take it easy!!!

At 8:00 p.m. on November 21, the curtains went up on the Senior Class presentation of Felicia Metcalfe's three act farce comedy, "Take Your Medicine." The play was directed by Mr. Picotte with Deb Cassels as student director.

Leave it to young Bill Jackson to get himself into a terrible jam. But can you blame him for not correcting a wrong impression when fifty thousand dollars are at stake? You see, Bill is a Doctor of Philosophy and a college professor, which means he really can be called "Doctor" alright. But his fiancee,Angela, has a wealthy, cranky uncle who likes medical doctors but is strongly prejudiced against professors. So when Angela brings Bill to meet Uncle Henry at the hospital and introduces him as Dr. Jackson, Uncle Henry thinks he is a surgeon...and no one corrects him because he promises to give Angela and Bill $50,000 for the first life Bill saves. And that really starts something...for the regular hospital doctor has to leave town suddenly, and Bill is called upon to help in several humorous emergencies. First, it's a chicken bone a patient swallows. Bill extracts it with sugar tongs. One laughable situation follows another in quick order until the worst of all happens ---a patient suddenly develops appendicitis!! Bill, much against his will, is rushed out to the operating room to don mask, rubber gloves and uniforms, and then....but to tell more would be to give away some of the fast-moving, rib-splitting fun. Then, there are the antics of the two hospital roommates, Dodson and Puckett, to keep things in a continuous uproar. Puckett, jolly and extremely mischievous, and Dodson, wealthy, crabby and overbearing, keep the hospital staff in hot water from start to finish. And there are Jack, the witty orderly, and funny Dovie Finkledink. The straight roles were popular with pretty young nurses, personable Bill, and attractive Angela.

"Do you hurt and have a temperature?"

"Here I'll take your pulse!"

"Say your line Mr. Dodson?"

VARSITY DEBATE: Advisor: Mr. John Westby, Lynn Schinkel, Jeff Von Wald, Jim Westby, Judy Kroll.

The debate program has expanded this year. Twenty-two debaters argued the proposition- Resolved: That Congress Should prohibit unilateral U. S. military intervention in foreign countries.

The year opened with the varsity and junior varsity teams capturing first place trophies with a record of 5-1 and 6-0 in the Upper Dakota Forensics League Conference Tournament at Watertown, December 6. Several debaters were ranked among the top four extemporaneous speakers and debators.

January, a debator's busy month, found the squads going in different directions. Mr. Westby accompanied the varsity to Sioux Falls and Brookings. Mrs. Nelson stayed closer to home, traveling to Aberdeen and Watertown.

Groton was well-represented at the Aberdeen Central's January Tournament on the 17th when the junior varsity tied for third place with Aberdeen Central.

The year will be finished in May when the annual speech banquet will be held and awards will be given.

These five veterans of the Golden Key Honor Society are very good representatives of the school. They've worked at school as a hobby and are being rewarded for it. They strove to meet the high goals of a school system and bettered themselves, and not for recognition. Because of their unselfish attitudes they now represent the honor, brain, power, and leadership of our school.

Tomorrow's Homemakers

This year the Future Homemakers of America are as active as ever. Their activities included contributing to FHA Scholarship Fund, Sponsoring an orphan, adopting a Secret Grandmother was a project started last year. It worked so well that it was continued. The members chose an elderly lady and "adopted" them as their grandmother by sending them cards. In May the grandmothers and granddaughters meet at a dinner. FHA also sponsors sock hops, sells candy, and helps out when ever possible. FHA furnishes a goal for its more than 40 members. Degrees are give to show achievements and scholarships are given to well deserving girls. Conventions throughout the state help to make the FHA more aware of the possibilities of the future.

This year, some of the meeting's projects were making fudge, singing, writing Christmas cards to their "secret" grandmother, caroling, and learning the FHA prayer song. The chapter sold Christmas gift wrapping sets to raise money for the FHA Scholarship Fund.

In FHA girls learn the responsibilty and the challenge of being a homemaker of tommorrow.

We Are Proud of Our Team

Under the leadership of President Maribeth Feser, the members of the Groton High School Pep Club showed a spirited effort to support the team and backed them all the way. A peppy cheer was heard coming from a group of students possessing Pep Club sweaters. The sweaters were one of the projects attempted this year to symbolize the school spirit. Other officers were: Cheryl Harry, vice president and Cyndy Falk, secretary-treasurer. A pep bus was taken to most of the away games so the club could cheer the team to a smashing victory!!!

'70 "Tiger" Producers

Camera, tape, action--these are the words which went through the minds of our editor--Ray and assistant editor--Joey, and the rest of the Tiger Staff. The work was cut out for the staff from the very beginning. They were busy taking pictures, writing stories, and finally putting the finishing touch on the annual before meeting deadlines.

There were many long nights spent doctoring the annual up for surgery, the next day at the publishing company. But the staff feels that all the work and the deadlines it made an even better annual for you, the reader.

And now that our yearbook is completed and has been accepted by the annual staff, we, the staff, feel proud of it and will treasure it in the years to come.

Cub Tiger Growls Through Another Year

Every month you could see the Cub Tiger staff busily at work under the direction of editor, Betty Rehfuss, and assistant editor, Jeff Von Wald.

Of course, some of the staff members did have a few problems, but these were soon remedied by hard work. Mimeographing the paper on the wrong side and typing a new stencil the night before the paper went out was just some of the confusion.

New additions in the Cub Tiger were "Letters to the Editor," and "Tiger Tales." These columns let students speak their opinions and use their literary abilities.

Music

Leaders

After a very successful marching season, the band members put aside their well-worn tennies, and started tuning up for concert season.

A lot of sweat and practice went into producing several enjoyable concerts through the year. A total of twelve all-state band members from Groton gave the band the honor of placing third in the state. The climax of the year came when contest rehearsals were over and the band pulled through with top ratings.

Mixed Chorus

Mr. Goddard has been working his vocal students hard all year. First to prepare for the Christmas concert and later on for the Spring contest. Twice a week Girls Glee and Mixed Chorus are held while Boy's Glee is held only once. With the new band room, in which vocal is held, and with the new piano the vocal department is even better now. And Mr. Goddard has an office all his own.

As of last year two quartets were chosen for All-State Chorus which was held November 7-8 at Sioux Falls. The two quartets consisted of Maribeth Feser, Diane Sundling, Lynn Schinkel, David Aeilts, Gerri Hall, Diane Henley, Roger Rix, and Jim Westby.

This year there was a little change in the vocal ensembles. Added was Mixed Octet.

Hard work has really paid off, as all the kids have found out.

Nancy Everson Reigns for 1970

Her busy schedule started Friday, January 16 at 3:00 as she found her roommates and attended a brief assembly. A banquet followed that evening, at which the parents and sponsors were guests.

From there she went to the Snow Follies where she watched the talent.

The next morning consisted of interviews with the judges at 8:00, followed by a television interview that started at 11:30. The highlight of the entire event took place when the former queen Jan Bower crowned the new queen, Margaret Cunningham, Miss NSC.

Junior Snow Queen

The talent show opened the 1969 Snow Queen Contest. With "The New Generation" as first-place winners. Patty Ries, junior snow queen, was introduced. All this while, fifteen nervous and excited girls were waiting to see who would reign as the next "Miss Groton." When the big moment came, Master of Ceremonies, Larry Moore, read the judges' decision. Marsha Neuman, last year's queen, surrendered her crown to Nancy Everson as the new 1969 snow queen. Diane Sundling and Candi Rix were first and second runners-up, respectively.

8th Grade Reading

As you walk down those long halls of GHS you will spot collages paintings, still-life, scratch board and figure drawings done by the art class.

This year art is a new class offered for freshman, sophomore, juniors and seniors. This class is not like all the other classes, for it doesn't have the same routine day after day. One day you can see kids running around getting their supplies for painting and the next day sitting there listening to lectures and studying art history.

Many of us who take art don't have quite as much talent as others, but we still like the challenge. So if you like to draw and paint, or whatever, pick up your chance to be in art for it is a worthwhile project.

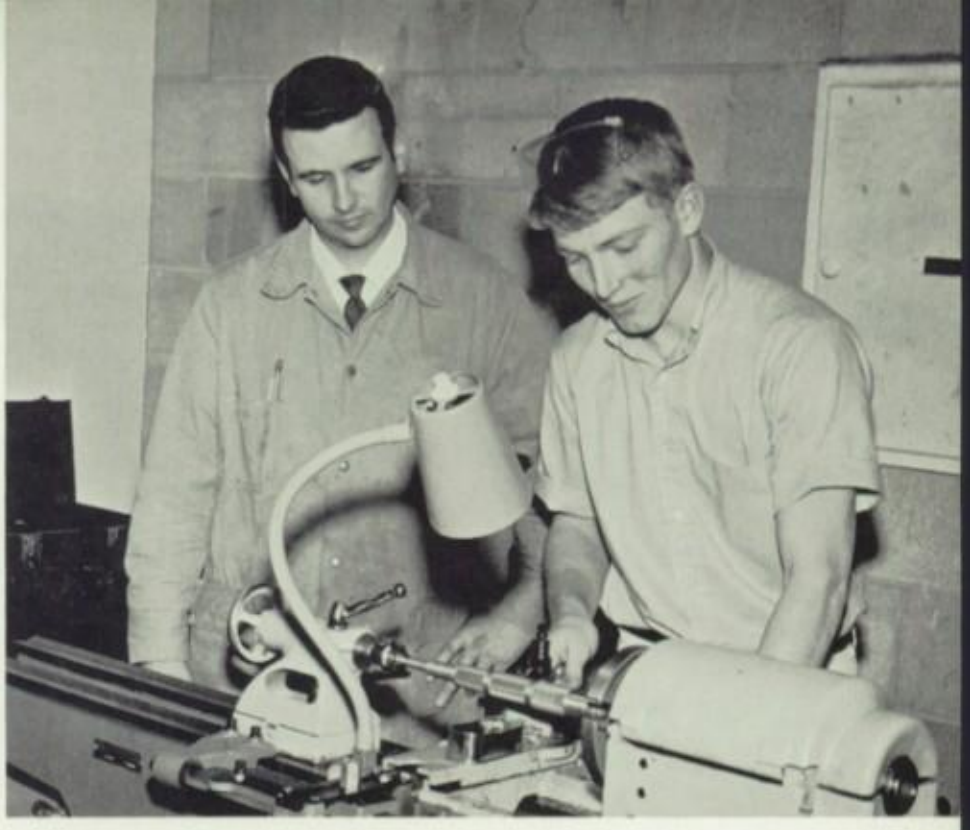
New Metal Lathe Added



The Metal lathe has been substituted for plastics in Senior Industrial Arts class this year. With the combined use of the welders and lathes many useful projects were accomplished during the course of the year. The industrial arts area is gradually becoming more efficient for the large number of students in the classes. The teacher, Mr. Belden, braves the rigors of the industrial arts area every day with dauntless courage. Without him, the class couldn't be the success it has been.

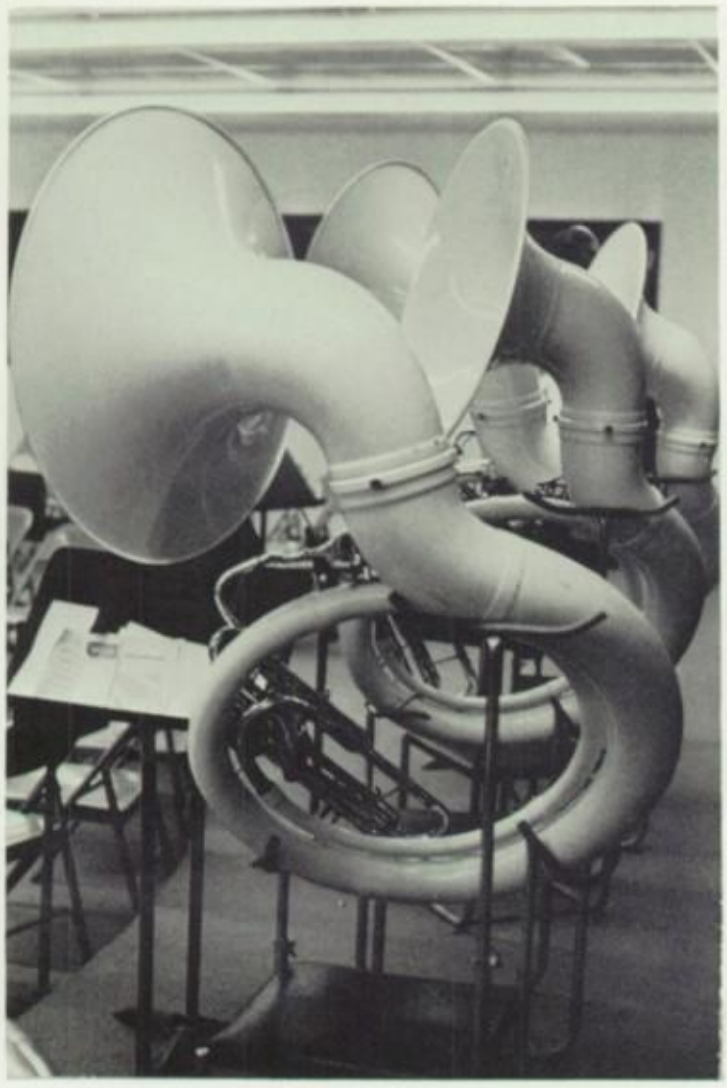
"Grease Monkeys"??

This year Auto and Power Mechanics were introduced into the school's educational program. Mr. Ragatz fearlessly took the job of teaching the new students the various functions of the automobile. They also learned how the common lawn mower motor operates. Although the students may not quite be called full-fledged mechanics, they are sure to pass for first class "Grease Monkeys" as their clothes truthfully show.

Busy Business

Vocational Business is new to the school this year. In this class we do such things as type tests, letters, and study guides for teachers. Some of the girls work in Mr. Kammerer's office when his secretary is over at the elementary school.

The main purpose of this class is to prepare the student for employment in offices. We have learned to operate adding machines and calculators quite efficiently. To help the student get used to office work, the classroom has been set up in the atmosphere of a regular office.



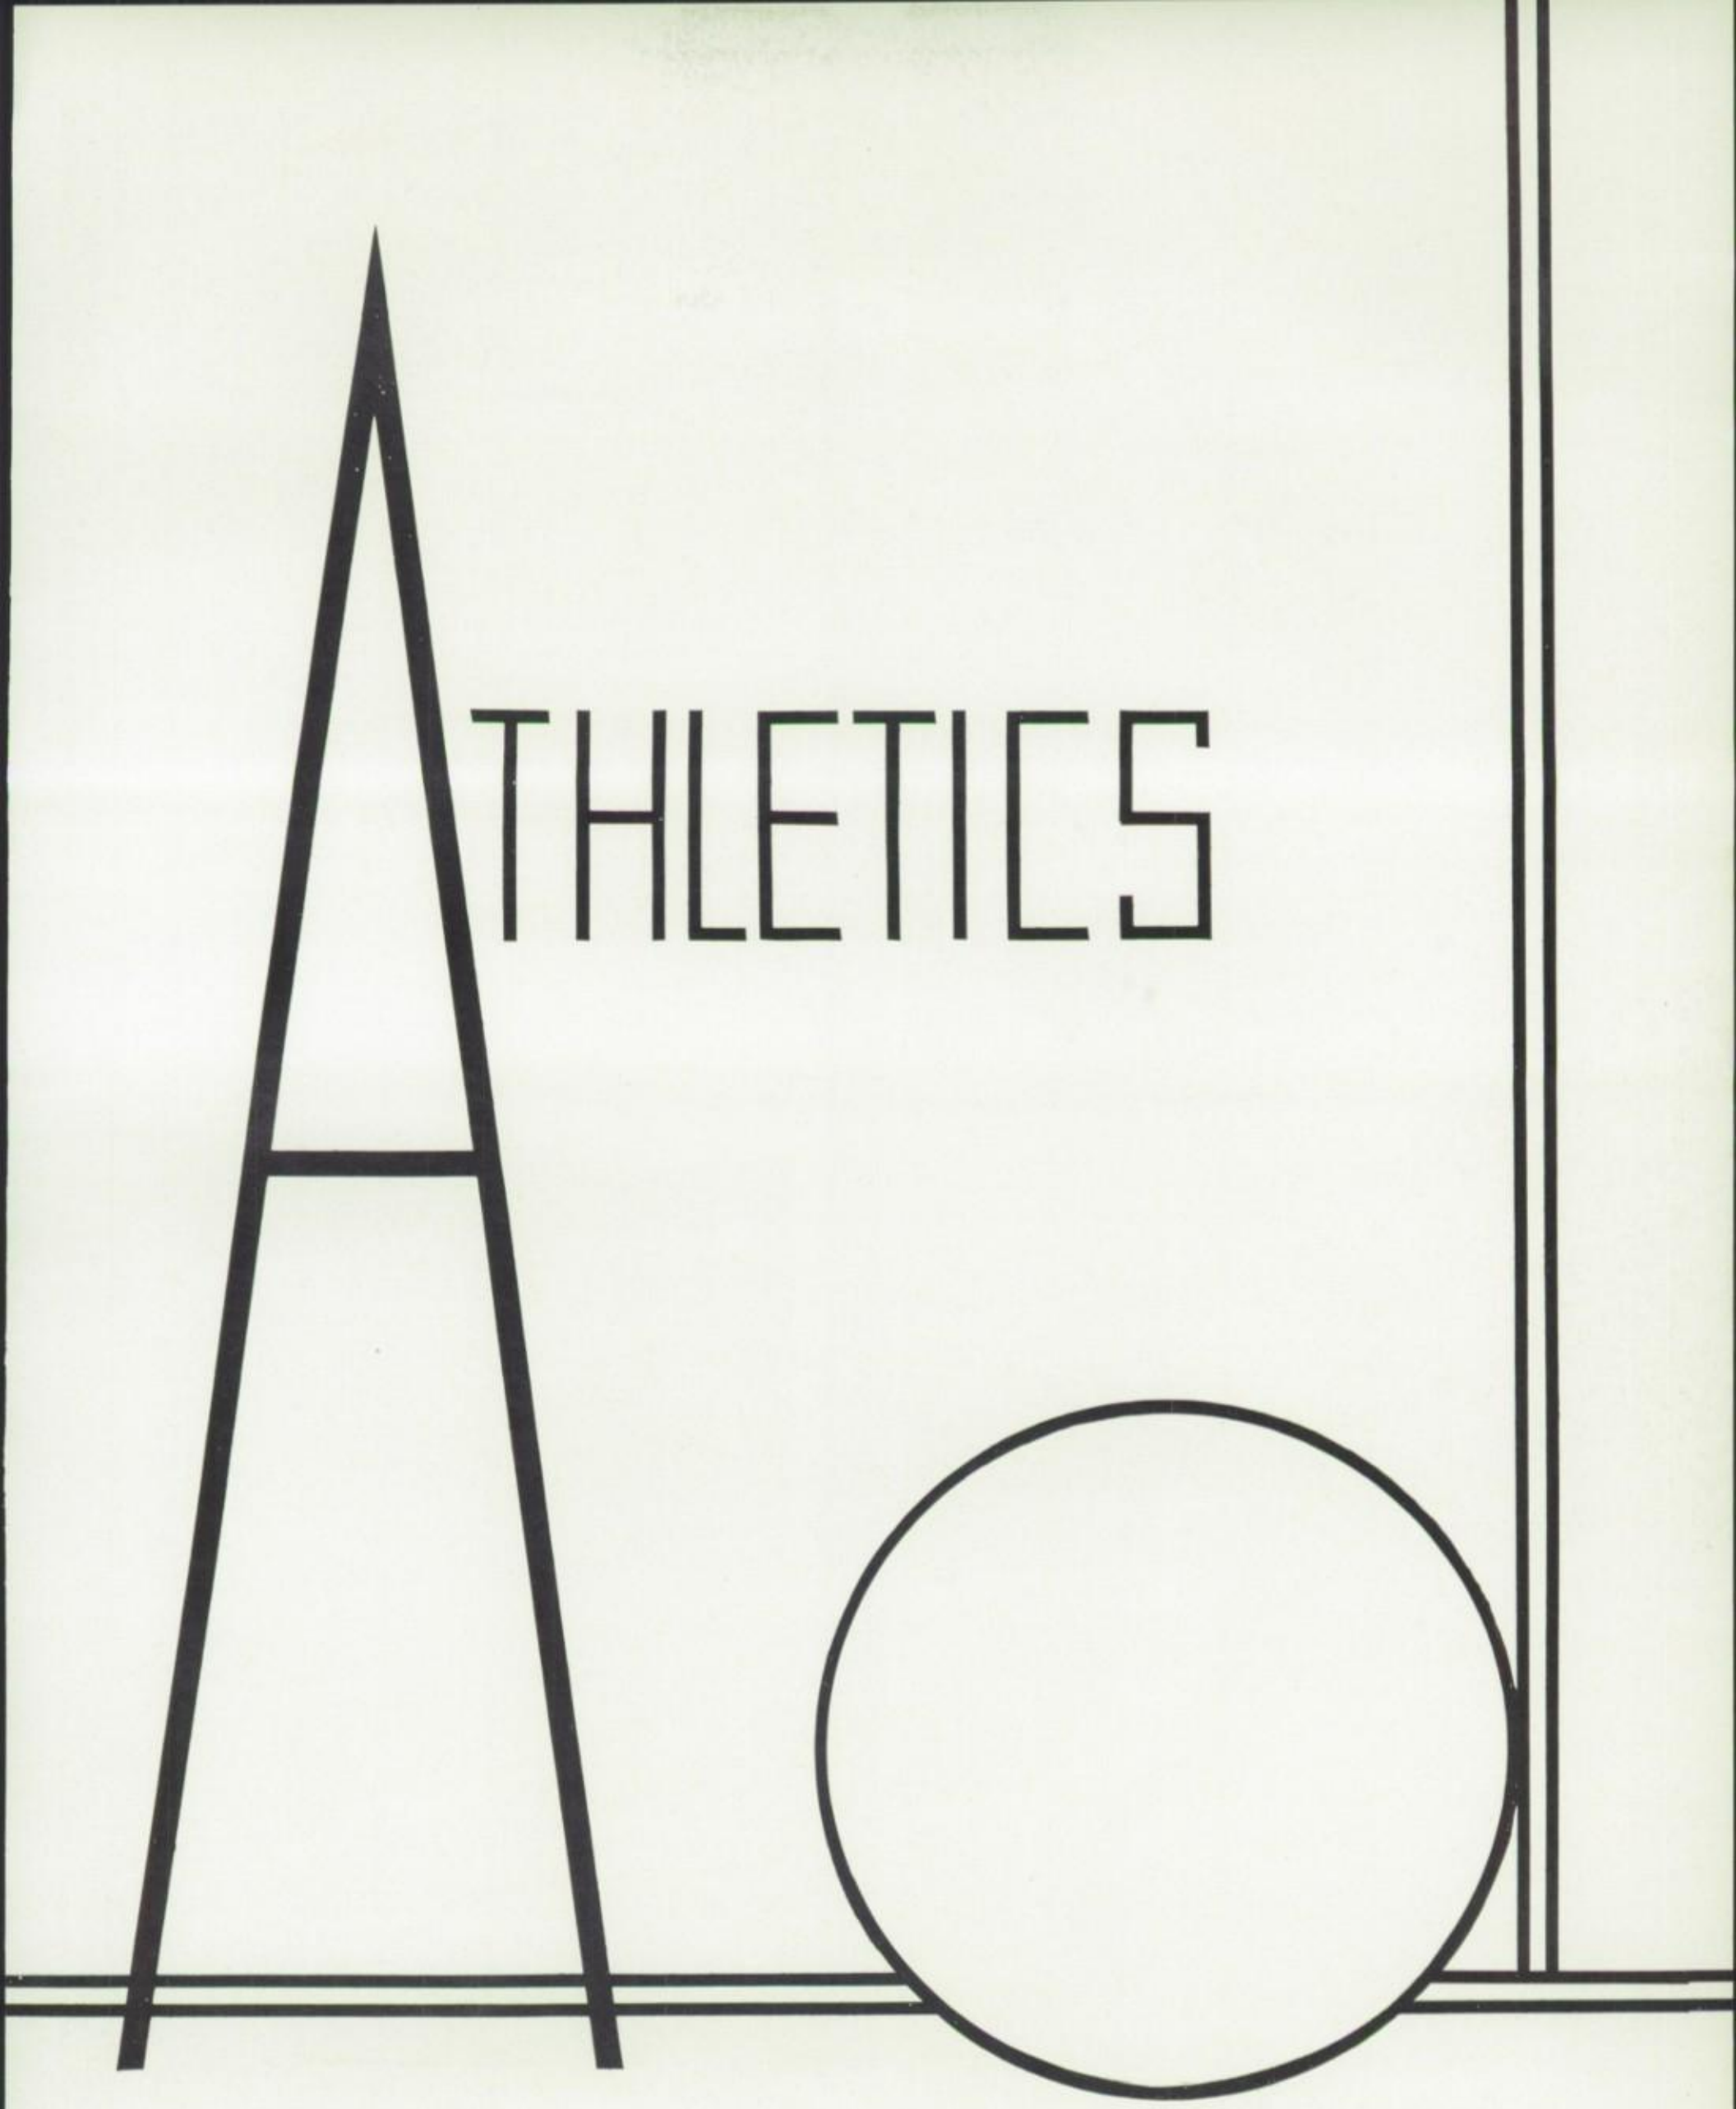
Ample Facilities

One of the main attractions of the new addition at Groton Central, is the music department. The directors get in a little extra exercise by chasing students back to wipe their feet on the scatter rug, and by vacuuming behind the ones they missed. The music-minded crowd really appreciates the new facilities. More room and music racks, make the band room a great place to work.

Music to Play By . . . .

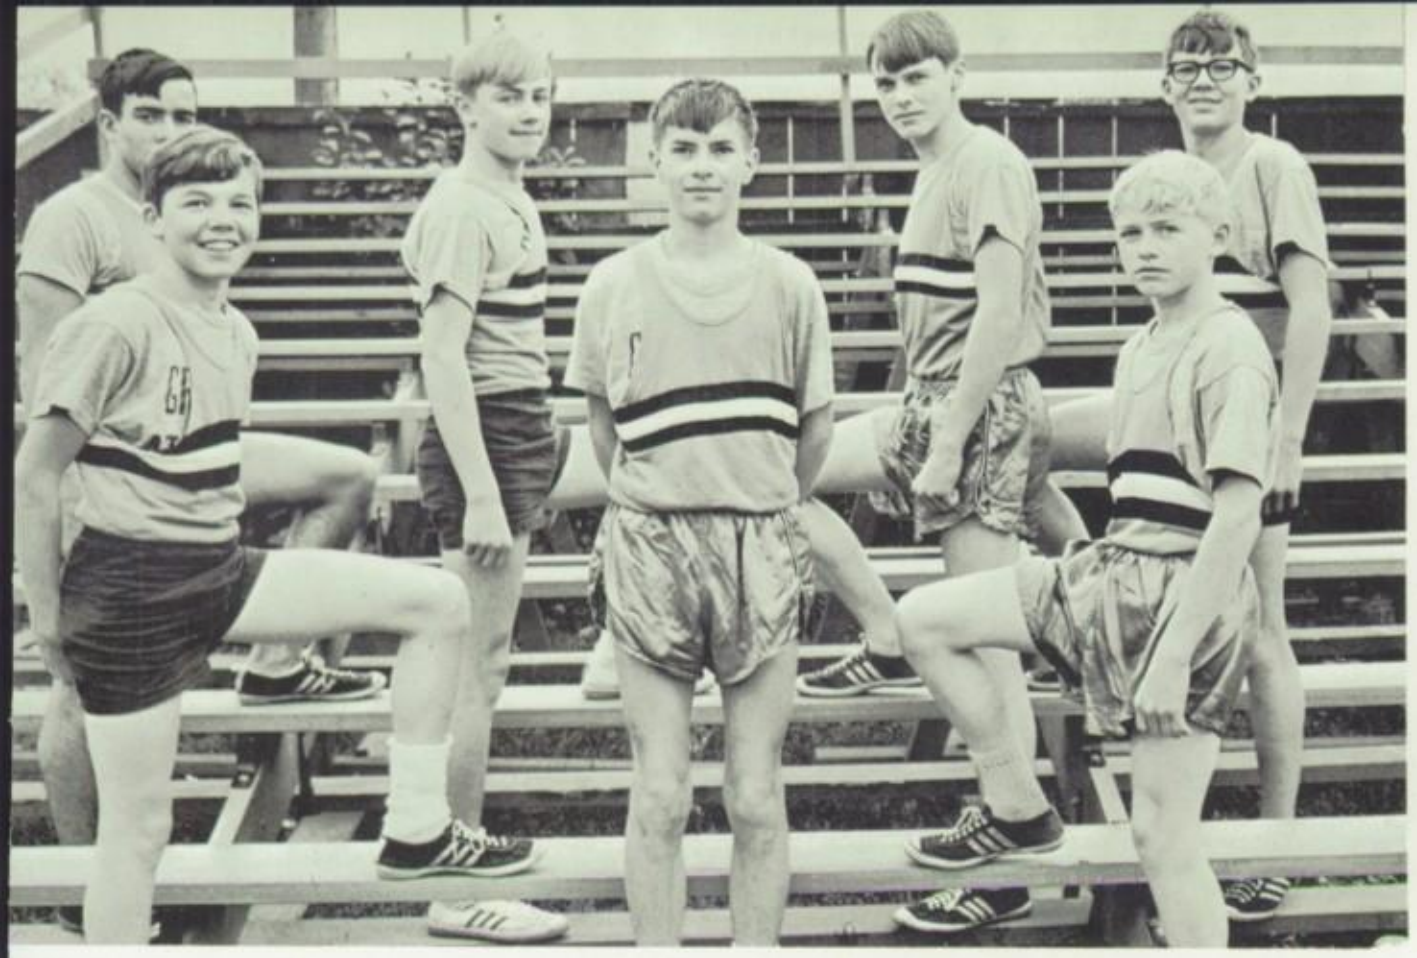
Half-time and pre-game entertainment at games this year was provided by the Pep Band. This was an overtime job that students and directors worked at. It wasn't a lot of work though, as only "fun" music was played for the pleasure of the listeners as well as the musicians. A highlight for the Pep Band was serenading the basketball players with their theme song, "Sweet Georgia Brown."

ATHLETICS



1969 Groton Relays

The Groton Tigers completed an outstanding season after breaking nine school records and sending seven individuals to the state meet. During the process of the year, the Tigers won five important meets: the Kiwanis Relays, J.C. Meet at both Groton and Ipswich and became the Northern Conference Champs and Region 1A winners.



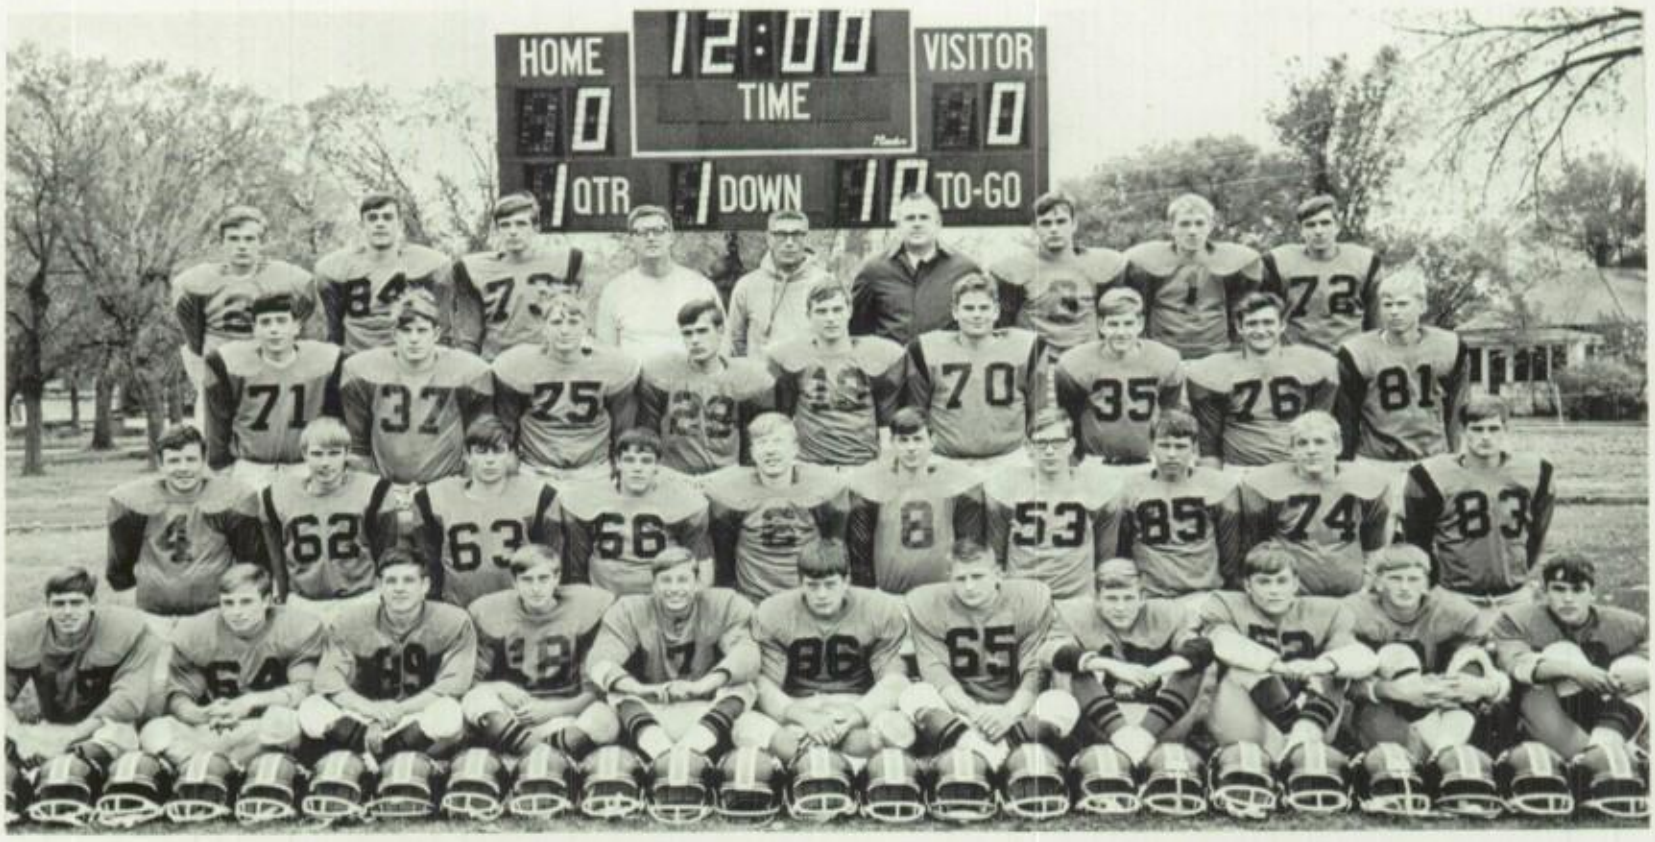
BACK ROW: Dale Nash, Steve Schaller, Terry Gilchrist, Ricky Zimney. FRONT ROW: Robbin Green, Steve Dunker, Loren Bahr.

Distance Is the Game

Groton has completed its second year of cross-country with a relatively young squad. The team consisted of one junior, four sophomores, and two freshmen. Groton made a strong showing in the conference cross-country meet with Terry Gilchrist taking first place. He ran the two-mile course in 10:48. Dale Nash finished seventh; Steve Dunker finished ninth; and Steve Schaller finished tenth. Gilchrist also finished twenty-first in the Class A division in the State Meet. Three of the larger meets that Coach Smit's team participated in were the Rowe-Granger Meet in Aberdeen, Milbank Invitational, and the State Meet at Brookings. Groton will be looking forward to an even better season next year.

UP UP But Not Away

Jack McKiver is on his way to soaring success at the pole vaulting pit. Though it was his first year in the sport, he faired very well. His ability added strength to the tigers spring track season.



Back Row: Jerry Sckinkel, DuWayne Hushka, David Kampa, Serenous Hoffner, Bobby Dubs, Richard Donovan, John Saunders, Ken Carlson, Lon Pigors. Third Row: Albert Wellman, Doug Abeln, Don Johnson, Doug Hinrichs, Greg Clocksene, John Lowary, Gary Sombke, Art Zoellner. Co-Champion Tigers

The Groton Tigers go undefeated for their second year with a near perfect record 9-0-1. The Tigers only mar was a 6-6 tie to the Eureka Trojans on their Homecoming. These two teams remained deadlocked as the season ended in a tie for the Northern Conference.

A lot of doubt was left in the minds of the coaching staff, as the last year seniors had departed leaving a lot of places to be filled. With a lot of determination, Coach Bobby Dubs built the Tigers up for the first game with Sisseton Redmen, beating them 20-12.

Defensive Coach, Serenus Hoffner, once again built a fine defensive unit. Running the team through their variety of defensives was Jack McKiver, allowing average of five points per game to their opponents. The defensive team as a whole was quite versatile and had a lot of depth.

With a small, but well-balanced offensive team, the Tigers were a threat on the ground as well as in the air. With Ken Carlson at the controls, DuWayne Huska and Randy Schuring provided fine pass targets for him. On the ground, the Senior backs, consisting of John Saunders, Jerry Schinkel and Ray Larson, powered their way to a total of 2049 rushing yards. With Saunders carrying the bulk of the load with 871 yards; he was also an outstanding blocker.

The climax of the year came on November 8; when the Tigers, handicapped with three key injuries, downed the big Roncalli Cavaliers 34-12. The outweighed and hampered Tigers produced a crowd pleasing team effort that brought to a close their undefeated season.

The game proved Groton's depth, which remained consistent throughout the battle for co-championship in the Northern Conference.

Tigers Repeat as District III Champs

Coach Roland Smit, in his second year of being head basketball coach at Groton, has successfully led his team to another District III Championship. This being the second year in a row that the scrappy Tigers have captured the District Championship and finished as Region I Runners-up with a 12-12 record.

Due to their lack of height, averaging 5'11", the small Tigers used a full-court press, causing the opponent to have many turnovers which led to some easy fast breaks. This called for an all-out effort from the team members. Due to their strong bench, the Tigers were able to run throughout the games.

Directing the Tigers' offense were guards Ray Larson and Terry Gilchrist. This pair of small guards did an outstanding job of bringing the ball down court and setting up the easy basket. Credit should also be given to these two guards for their hard-pressing defensive play on the opposition guards, making it very hard for them to get the ball in playing area.

The majority of Groton's scoring punch came from senior forward Ken Carlson with 270 points, junior center Doug Hinrichs-226, junior guard Terry Gilchrist-212, junior forward Randy Schuring-193, and senior guard Ray Larson-144. Terry Gilchrist led his team in shooting accuracy with 37% from the field and 68% from the free-throw line.

Leading the group in hauling down loose balls were Ken Carlson with 181 rebounds, Doug Hinrichs-150, Randy Schuring-106, and DuWayne Hushka-102.

"B" Squad

Leading a successful "B" squad doesn't mean winning all the games you can, it means giving everyone a chance to play. Each member of the "B" squad played in more than half the games and this shows the success of the present Tigers. The statistics of the team are:

Field goal percentage - 33.5
Free throw percentage - 54.4
Average rebounds per game - 26.0
Average points scored per game - 39.8
Winning 11, losing 9 games this year

STANDING: John Erickson, Chuck Knecht, Donald VanderVorst, Danny Brown, Rick Odland, Rodney Everson, Jim Kroll, Alan Strom. KNEELING: Jay Johnson, John Knoll, Kim Raap, Loren Schaller, Dallas Roettele, Barry Schuring, Mike Dylla, Steve Dunker, Pat Collins.

Freshman Squad

Coach Ray Hanson's basketball team comprised entirely of freshmen was organized. This was necessary because of the greater number of participants. In past years freshmen worked out with the "B" squad.

A 15 game schedule enabled all 17 players to take part and to gain valuable game-time experience. Our primary objective was to work on fundamentals and to prepare for the jump next year up to the "B" squad.

The team finished the season with a 7 and 8 record.

Season Record

Leading the team's strong bench were senior DuWayne Hushka and juniors Dean Karnopp and Lee Raines. These players contributed largely to the final success of the season, seeing a lot of action in pressure situations.

Competition was a key factor on road to Groton's 12-12 record, having had many of their losses coming to larger schools. But as they say "all is well that ends well."

Wrestlers Have Successful Season

The Groton wrestling squad started practice for the season in the middle of November under Coach Hoffner for the second year.

On this year's varsity squad, many new faces were to be seen. The bulk of the team was composed of freshmen and sophomores. With some experience lacking, the team went right to work for their first match with the Britton Braves. Groton won by a score of 26 to 22.

The team showed steady improvement during the year even without the services of veterans Jake McKiver, Dave Abeln, and John Mahan who were lost to football injuries. The squad won 2 out of their last three matches. Therefore, next year's team should be much stronger, with only 4 seniors retiring from the squad.

The team's record doesn't mean the team's season was not successful for the Tigers had their highlight of the year, winning the first Northern Conference wrestling tourney. The team produced 4 champs, 3 seconds, and 4 third place finishers in the course of the events. They also broke nearly every record set by last year's outstanding wrestling squad.

The team qualified 3 members for the regional tournament namely; Albert Wellman, Gary Townsend, and Rodney Boehmer. Continuing on to the state tournament was Al Wellman with a 21-1-1 record.

Al for a takedown.

Al Wellman had an outstanding season for the Tigers during his senior year at GHS. Some of his accomplishments on route to his 24-3-1 record were, winning the Northern Conference, Sisseton; District tournaments and being runner-up in the Regional Tournament. He also broke four individual school records, while his only losses during the year were to wrestlers who placed in the first four spots of the State tournament. Our hats off to Al for a job well done.

Board of Education

The only words that can describe the school board is that they are the governing body of our school. Why? Because their duties are taking care of our school budgets and the school policies, also taking care of emergencies--such as illness of students or teachers, activities and even bus routes during the winter months.

The school board has had a big job this year because of the new school. But they handled it with a clear mind and know-how.

Robert Olson
Superintendent

One of the busiest men on our faculty is Mr. Olson who has smoothly arranged our improved school system. The students admire and respect Mr. Olson because he respects the students. He is never afraid to meet with them on their own terms and explain how things are. The seniors feel lucky to have worked with and not under Mr. Olson. We know the Juniors will share our feeling next year.

Ed Stader
Elementary Principal

The newest member of our faculty is Mr. Ed Stader who is the elementary school principal. His responsibility makes it a very important job. The title this man carries does not sound great but we all realize the headache brought on by 500 elementary students and 750 parents.

Eugene Kammerer
High School Principal

Because of our new, enlarged school system and the population of our school increasing, Mr. Kammerer has been kept very busy throughout the year.

Class Motto:

"Let Us Be the Answer, Not the Problem"

Football and wrestling were "Honest Abe" Abeln's main interests at Groton High. He was a two-year letterman in football and a three-year letterman in wrestling. Dave was also known for his weekend snowmobiling during the winter along with many other activities.

Dave Aeilts was a member of the Gold Key Honor Society and took part in such activities as Chorus and Band. David was rewarded by being selected for All-State Chorus. Dave was one of the eager boys to attempt wrestling the first year it was initiated into the Groton Athletic Department.

Band took up most of Marilyn Albert's time during her years at GHS. She was active in Paper and Annual Staffs, Pep Club, and she was a member of the senior class play.

Big "Rod" Boehmer led his class through many activities during his junior and senior years as class president. He was active in both wrestling and football and participated on the annual staff his senior year as a sports writer.

The "Big C" kept the Columbia girls hopping with his Woodchuck Club. Chuck Bohling was also known for his starring roles in both the Junior and Senior Class plays. Who knows--we may even see him in Hollywood!

Greg Buechler came here as a transfer student from Selby at the beginning of his sophomore year. He can always be seen bombing around Main Street in his new black "Torino."

Sports were Ken Carlson's main activities during his high school years and he excelled in all of them. Ken was also known for his ability to smooth things over between the students and faculty as he was elected Student Council President in his senior year.

Randy Brown participated in basketball during his first two years at Groton. Although Randy's nights are quite active, he always manages to catch up on his sleep during study halls.

Class Colors:

Gold and Maroon

Debbie Cassels was known for her peppy and enthusiastic attitude toward the sports activities during her high school days. Deb was chosen cheerleader for her last three years at G.H.S. and she was also elected Student Council Treasurer in her senior year.

Cindy Crawford transferred to Groton from Nevada her senior year. While in Nevada, she participated in many activities such as concert band, majorette, and drill team. While in Groton, she was active in marching and concert band.

The highlight of being a transfer from Columbia for Renee Daly was being crowned 1970 Homecoming Queen. During the four years she participated in other activities such as Pep Club and FHA.

If you were ever looking for Jim Dauwen around Groton High School, you could almost be certain to find him down in the shop using up Mr. Beldon's pink slips. Although he didn't go out for any sports in school, he played a mean game of baseball during vacation.

Bonnie Dayton transferred to Groton her Sophomore year from Barnard. She participated in both Girls' Glee and Mixed Chorus in her junior and senior years at Groton High. Bonnie also participated in the Snow Queen Contest.

Darcey Dombrowe invaded Groton during our junior year. In her two years here, she has been on the Annual and Paper Staff. She was a Homecoming Queen Candidate and participated in the Snow Queen Contest. Darcey's favorite subject was passing to classes.

Although extracurricular activities were limited for Mike Donovan, he could always be heard and noticed in the halls of G.H.S. Mike could always be counted on to help when Homecoming float building time came around.

Barb Erdmann was very active all four years at Groton participating in FHA, Pep Club, Paper Staff, Annual Staff, and Girls' Glee. She was awarded her chapter and junior degrees in FHA.

"Seniors"

Nancy Everson's highlight of her high school days at G.H.S. was being crowned 1970 Groton Snow Queen. Nancy was also active in music, annual and paper staff, and participated in both class plays. She was elected secretary of her class during her junior year.

"Merry" Maribeth Feser is a typical example of how crowded high school years can be. One of her major interests in high school was music. She participated in Band, Mixed Chorus, and Girls' Glee for all four years. She also could be seen at all the games as she led the Pep Club as President her senior year.

Transferring from Monroe Junior High, Ronna Fetherhuff got in the full swing of G.H.S. activities. One of her awards was a perfect attendance record for one year. The best.

Rosemary Froehle, or "Rosi" as she was commonly called, spent most of her time in Band. She also participated in Science Club, German Club, Pep Club, Paper Staff, Annual Staff, and played a bouncy nurse in the Senior Class Play.

After transferring to Groton in the eighth grade, Bob Gunderson took an active interest in track. He placed fifth in the long jump in his Junior year at the regional meet in Watertown.

Clyde Hanson, better known as "Claudeman," was widely recognized as a member of the Rabbit Hunter's Association--which used his Claudmobile for transportation. Besides his hunting he also served G.H.S. as secretary of the Senior class.

In her years at Groton, Susan Hein was an active cheerleader, majorette, and Science Club Member. She helped on the Annual and Paper Staff and was the Junior Snow Queen and Relay Queen Candidate her Freshman year.

Basketball and track were Wayne Hein's major activities during his years at Groton High. Wayne spent much of his spare time doing important research in the library and giving the librarians a bad time.

DuWayne Hushka contributed his athletic ability to "G.H.S." in all fields. He participated in Band three years and was also active in chorus. Fame came when he participated in the State Track meet in his Junior year.

"Seniors"

Don Johnson transferred from Aberdeen Central as a Sophomore and was readily accepted as a member of the Class of "70." He was Junior class vice-president and as a senior he became assistant student manager of the basketball team. If anyone remained after school long enough, he could always be seen "cleaning up."

Larry Johnson transferred from Columbia along with other students his freshman year. Any week end at Columbia it would not be unusual to find Larry under a carhood.

Nathan Johnson was a great help during his last years at Groton High to the intramural basketball team. He also held a position on the Columbia Canadians hockey team on the weekends.

Dave "Merlin" Kampa's primary interests in Groton High were football and wrestling. Actually, he was fairly efficient at both of these sports. He was also good at unplugging Mrs. Wegner's coffee pot between classes.

Music and debate took up most of Judy Kroll's time during her very active years at G.H.S. Being chosen D.A.R. representative and a member of the National Honor Society will be among Judy's most memorable events.

Monte Kolbo was especially known for his wrestling ability during his senior year as he set the new school record with a pin in eighteen seconds. He also participated in football. After doing research in the library, Monte somehow found time for his snowmobiling.

Outdoorsman Steve Krueger showed a spark in deer hunting and snowmobiling. He showed special talent in welding for shop class.

Sports activities dominated Ray Larson's time here at Groton High. He spent four years training for football and basketball. Transferring from Columbia his freshman year brought an extra-curricular activity of hockey in which he was a two-year letterman. Supporting the President behind the gavel was Ray as Vice-President of his Senior Class.

Extra-curricular activities which Eretta Leonhardt found time to participate in were Pep Club, Girls' Glee, and FHA. She was in the cast for the Senior Class Play and a contestant for the Snow Queen Contest.

History is John Lowary's major interest. In the field of sports, he participated in football, track, cross-country, and intramural basketball. John was also a participant of the "G" Club.

"Seniors"

Football and wrestling were John Mahan's main activities throughout his four years at G.H.S. John was well known for his early morning hunting trips--he sometimes lost track of the time.

Dave McGannon's main activity at Groton High was basketball. Much of his spare time was spent down in the Shop room and reading all of the magazines in the library.

Football and wrestling were Jake McKiver's favorite and best sports at GHS. In his junior year, Jake was chosen by the Student Body as Vice President of Student Council. The final honor of high school came when Jake was chosen Homecoming King at GHS.

Bob Pasch is mainly known for his contributions to the library during his study halls. He seems to keep the librarians busy since he does a lot of research. Bob is also known for his rabbit hunts and his participation in wrestling.

Dale Peterson could be said to be more "scientifically" minded than "sports" minded. He was a member of the Science Club his Junior and Senior years. His main interests were science and math; he took courses in both all four years of high school.

Howard Pigors, who we all know as "Carl," has contributed a great deal to the Senior Class. As treasurer in our Sophomore year he collected our dues without pocketing an awful lot. He also invents his own cars, which are called "road burners."

Greg Pigors transferred from Ferney to join the class of '70 his Freshman year. Greg participated in baseball all four years of high school, starting as pitcher for the Groton Legion team. During his high school days, he also took part in intramural basketball.

Pat Prunty tried his hand at wrestling the first three years at Groton, but found that he would much rather have his after school hours to himself. Pat was one of the best scientists in his class and did a lot of tutoring in study halls. Pat also attended Boys' State.

One of the greatest speakers in the senior class, was Betty Rehfuss. She participated in both junior and senior class plays. She was also an active speaker in the Poetry division in all four years of high school, reaching a peak in her senior year when she won the local and regional Poetry division.

"Seniors"

Band and Chorus took up much of Candy Rix's time along with the Junior and Senior Class plays. Her other activities included Annual and Paper Staff, Declam, and Pep Club. Candy was a runner up in the Snow Queen contest and also was Groton Girl Stater.

Coming from Columbia to Groton for her Freshman year was quite an experience for Lynn Roettele. She participated in Girls Glee during her first year at G.H.S.

"Big John" Saunders, as he was known around Groton, made quite a name for himself in football and was rewarded for it by being chosen for the All-State football team. John also excelled in basketball and was chosen Homecoming King Candidate for the senior class. He tried his acting ability as he had a part in the Junior Class Play.

Jerry Schinkel was another one of Ferney's contributions to the halls of G.H.S. Football was one of his main interests in which Jerry earned membership in "G" Club. Jerry was active in intramural basketball.

Lynn Schinkel has been very active in Groton High. Some of the activities he has been in include declam, debate, and Boys' Glee. He is a four-year band member and participated in both class plays.

FHA and Pep Club were Peggy Schornack's main interest during her four years at G.H.S. It seems that Peggy was always ready to support the "Tigers." She has also been active in paper staff, annual staff, science club, glee club, and librarian. Peggy was one of the fourteen contestants in the Snow Queen contest.

Music was Diane Sundling's most time-consuming activity in high school. She took part in Band for four years, Girls' Glee and Mixed Chorus. She was also an active speaker, taking part in both debate and declam. She was a member of the National Honor Society and First Runner-up in the Snow Queen Contest.

Gary Townsend was very well known at G.H.S. for his rough wrestling techniques on the mat and in the halls. He tried basketball during his freshman year but found it wasn't his "bag." Gary also was in the Junior class play.

"Seniors"

Penny Ulrich has kept herself busy participating in music. She has been active in stage band, chorus, and science club. Penny has been in Pep Club all four years and an active "Tiger" fan.

Among Fae Voss' interests at GHS was Band, in which she took part all four years. She worked as a stencil typist on the paper staff for three years, and was a member of the Groton Chapter of FHA.

Wrestling was one of Albert Wellman's outstanding accomplishments as he was out for four years. He took part in the State Wrestling Tournament and Boys' State. Al was also a member of the National Honor Society for two years.

Linda Wilson presented a new face when she joined the class in her junior year. Back at Florence Public School, she was active in Mixed Chorus, Girls' Glee, and the Flash Staff.

Vicky Zoellner spent most of her valuable time in school assisting our principal with little jobs and during her free time she would usually study and read.

Dear Chuck,

I enjoyed having you in my English class. You're a very fine pupil, capable of doing real good work.

Mrs. Mielke

Good Luck! Chuck.
